GRAFFITI WIPE (cont)

9) Physical and Chemical properties

- | | | |
|------------------------|---|---------------------|
| 1) Appearance | - | - White cloth wipe |
| 2) Odour | | - Mild Odour |
| 3) pH | | - 7.5 - 8.5 at 20°C |
| 4) Density | | - Not applicable |
| 5) Flashpoint | | - Above 65°C |
| 6) Solubility in Water | - | - Not applicable |
| 7) Volatility | | - Not Volatile |

10) Stability and Reactivity

Product is fully stable under normal conditions of use.

11) Toxicological Information

No significant health hazards when used for designed purpose and application and when used in accordance with instructions.

Effects due to Overexposure

Contact with eyes - Irritation, redness of eye.

Contact with skin - May cause dryness and irritation.

Ingested - Unlikely to be a problem
